WORK EXPERIENCE

Web Development and Design Intern
The Sparks Foundation

01/2021 - 02/2021

Achievements/Tasks

- This Internship turned out to be an amazing kick-starter for my Web Development Journey.
- For this Internship, I developed two projects i.e., Banking System and Donation Website.
- Worked well independently and as a team to solve problems of different people.

Training and Placement Coordiantor
Sardar Vallabhbhai Institute of Technology, Vasad

03/2020 - Present

Achievements/Tasks

- Coordinating with the HR's of different companies for conducting placement drives in college.
- Also organizing mock placements, aptitude test, etc. for students to train them for becoming a quality job aspirants.

Technical Event Head
Sardar Vallabhbhai Institute of Technology, Vasad

12/2019 - 02/2020

Achievements/Tasks

- Managed and organized the Technical Event in the college's National Level Tech fest - Prakarsh.
- From here, I was able to enhance my Management Skills.
- I led the group members comfortably and organized the event very successfully.

SKILLS

Python | Web Development | Data Analysis | Data Visualization | Microsoft Excel | C | SQL | Leadership | Team Work | Management

PROJECTS

Invoice Generator (03/2021 - 04/2021) ↗

- A Web Application was created to generate the Invoice and Challan. It was made for the Client i.e. The Mahavir Enterprises.
- The generated Invoice or Challan can be Mailed to the customer directly from website.
- Also this project was created from scratch without any previously available resources.

Health Care (04/2021 - 05/2021)

- One type of Hospital Management System was made.
- We made this system on online basis, which means appointment was booked with doctors and Zoom Id and Password was generated dynamically. (Worked with Zoom API)
